The Alumni Association of Lakehead University

Entrance Award

Conditions of Award

1. One entrance award will be made annually to a full-time student entering Lakehead University and will be paid for four years as long as the recipient meets the following criteria.
2. The recipient must carry 100% of a normal full-time course load each year and complete the program in the prescribed period of time. February entrants to Lakehead University are eligible for the award.
3. The Award is restricted to the immediate family of Lakehead University alumnus/ alumna. The immediate family is defined as: spouse, sister, brother, child, parent, step-parent, grandparent, and grandchild.
4. An applicant must have a minimum overall average of 80% and must have demonstrated leadership ability and community involvement. A copy of the most recent transcript is required. (Interim marks for final semester are acceptable.)
5. The Award will be allocated at the discretion of the *Alumni Association of Lakehead University Governance Nominations Committee* and finalists will be interviewed by this committee.
6. The Award is tenable only at Lakehead University and is not deferrable. It must be accepted in the year in which it is awarded.
7. Individuals who have received a Presidential Scholarship and/ or Free Tuition Scholarship are ineligible for the Award.
8. The recipient of the Alumni Association of Lakehead University Entrance Award must attain an overall average of 80% in each subsequent year. Spring/Summer courses will be added to the Fall/Winter course load and will be included in the overall average in the determination of continuation eligibility. This will be verified annually by the Registrar.
9. The student normally forfeits the monetary benefits of the Award if he/she withdraws from the University before the end of the academic year.
10. The student must advise the Annual Fund and Alumni Engagement Office immediately of a change in registration status.
11. Open to students enrolled at either the Thunder Bay or Orillia campus.
